| <b>Islamic University of Technology</b> , Electrical and Electronic Engineering                                                                                                                                                                        | Gazipur, Bangladesh<br>2017 – 2021                   |
| <ul style="list-style-type: none"><li>• Undergraduate thesis on low-latency HARQ retransmission for C-V2X sidelink communication.</li><li>• OIC Scholarship recipient.</li></ul>                                                                       |                                                      |

## Publications

### Context-Aware Functional Security for V2X-Enabled Connected Vehicles

Tahmid Zaman Tahmid, Sujay Saha, Mostafa Zaman, Yanxiao Zhao, Sherif Abdelwahed  
[epapers2.org/itec2026/ESR/session\\_view.php?print=1&session\\_id=31](https://epapers2.org/itec2026/ESR/session_view.php?print=1&session_id=31)

### Enhancing IRS Localization via Deep Learning-Based AOA and Distance Estimation

Nikhila Kotlapara Surendran, Syed Samiul Alam, Haolin Tang, Tahmid Tahmid, Wei Wang, Yanxiao Zhao  
[doi.org/10.31875/2979-1081.2025.01.03](https://doi.org/10.31875/2979-1081.2025.01.03)

### Resource Allocation in C-V2X: A Review

Tahmid Zaman Tahmid  
[arxiv.org/abs/2401.15756](https://arxiv.org/abs/2401.15756)

### HARQ Retransmission Together With Original Transmission on the Same Subframe for C-V2X Communication

K. M. A. Yeaser, M. A. H. Emon, Tahmid Zaman Tahmid, I. R. Aninda

## Skills

### Wireless Communications and Signal Processing

- RIS/IRS, near-field localization, MUSIC, MVDR, AoA and range estimation, V2X, and modulation classification.

### Machine Learning

- PyTorch, CNNs, transformers, reinforcement learning, representation learning, and hyperparameter optimization.

### Programming and Experimentation

- Python, MATLAB, NumPy, Git, Linux, and reproducible research pipelines.

### Networking and Systems

- Cellular networking, IoT, network security, anomaly detection, and performance analysis.

## Awards

---

### Graduate Fellowship Award

The George Washington University

### OIC Scholarship

Islamic University of Technology

### Higher Secondary Board Scholarship

Dhaka Education Board

## Experience

---

### IUT Career & Business Society, Chief Operations Officer

Jan 2019 – May 2021

- Planned events, coordinated club operations, and developed sponsorship and communications materials.

### Esonance — Official Magazine, Editor

Jan 2018 – Dec 2020

- Edited, proofread, and organized magazine articles and introductory material.

### Project Green, Creative Coordinator

Jan 2020 – present

- Supported environmental outreach and public-facing communication.

## Languages

---

### Bengali

- Native proficiency.

### English

- Fluent proficiency.

### Hindi

- Professional working proficiency.

## Interests

---

### Research and technical writing

- Wireless AI, signal processing, connected systems, and research communication.

### Community and environmental activities

- Student organizations, editing, and environmental outreach.
